U.S. FOL Organizes School Landscaping and Painting Project

Staff from the U.S. Forward Operating Location are organizing a painting, renovation, and landscaping project at the Elis Juliana School at Tera Kora on Friday, May 29, 2009. The project includes painting of the roof and pillars, clearing brush and weeds, and providing preventative maintenance, as needed.

FOL military and civilian personnel often volunteer their services in support of community projects and are pleased to reach out to the people of Curaçao.

The media is cordially invited to cover the event during the morning hours.
